ANTONY **KIMUTAI** KEMEI

Phone number; +254795 009 613
Email; kimutaikemeix@gmail.com

I am a hardworking, diligent, and ambitious information technology graduate with a strong desire for exceptional performance in every task I undertake. I am highly motivated and skilled, seeking a challenging IT position where I can apply my technical expertise and contribute to the success of an innovative organization. My strengths include strong organizational and interpersonal skills, attention to detail, and the ability to manage multiple tasks and priorities effectively. I am a dedicated team player with a positive attitude and an open-minded approach to new ideas. I firmly believe in the values of commitment, determination, and integrity as the core principles guiding my professional life.
